## Checklist for auditor's report

(see notes 41 to 44)

**The checklist below is for guidance. A report is still required either set out overleaf or by way of an attached auditor's report that covers the 1992 Act requirements.**

1. In the opinion of the auditors or auditor do the accounts they have audited and which are contained in this return give a true and fair view of the matters to which they relate? (See section 36(1) and (2) of the 1992 Act and notes 43 and 44)

Please explain in your report overleaf or attached.

2. Are the auditors or auditor of the opinion that the union has complied with section 28 of the 1992 Act and has:

- a. kept proper accounting records with respect to its transactions and its assets and liabilities; and
- b. established and maintained a satisfactory system of control of its accounting records, its cash holding and all its receipts and remittances.

(See section 36(4) of the 1992 Act set out in note 43)

Please explain in your report overleaf or attached.

3. Your auditors or auditor must include in their report the following wording:

**In our opinion the financial statements:**

- **give a true and fair view of the matters to which they relate to.**
- **have been prepared in accordance with the requirements of the sections 28, 32 and 36 of the Trade Union and Labour Relations (consolidation) Act 1992.**

## **South West Councils**

Independent Auditors' Report to the Members  
For the Year Ended 31 March 2024

---

### **Opinion**

We have audited the AR27 of South West Councils for the year ended 31 March 2024 set out on pages 3 to 15. The AR27 has been prepared under the accounting policies set out therein.

In our opinion the financial statements:

- give a true and fair view of the state of the Union's affairs as at year ending 31 March 2024;
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992.

### **Basis of opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of South West Councils in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the AR27, we have concluded that the Chief Executive's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the organisation's ability to continue to as a going concern for a period of at least twelve months from the date when the financial statements were authorised for issue.

Our responsibilities and the responsibilities of the Chief Executive with respect of going concern are described in the relevant sections of this report.

### **Other information**

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The Chief Executive (as Treasurer) is responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## **South West Councils**

Independent Auditors' Report to the Members  
For the Year Ended 31 March 2024

---

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Trade Union and Labour Relations (Consolidation) Act 1992 requires us to report to you if, in our opinion:

- whether the trade union has kept proper accounting records in accordance with the requirements of section 28,
- whether it has maintained a satisfactory system of control over its transactions in accordance with the requirements of that section; and
- whether the AR27 to which the report relates agree with the accounting records.

### **Responsibilities of the Treasurer**

As explained more fully in the Statement of Responsibilities set out on page 1, the Chief Executive (as Treasurer) is responsible for the preparation of the AR27 and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Chief Executive is responsible for assessing the organisations ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Chief Executive either intend to liquidate the organisation or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the company through discussions with directors and other management;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the company, including the Trade Union and Labour Relations (Consolidation) Act 1992 and employment;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

## South West Councils

Independent Auditors' Report to the Members  
For the Year Ended 31 March 2024

---

We assessed the susceptibility of the organisation's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of those charged with governance; and
- enquiring of management as to actual and potential litigation and claims.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

### Use of our report

This report is made solely to the organisations members, as a body, in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the organisation and the members as a body, for our audit work, for this report, or for the opinions we have formed.
