Aspect	Details
Images	
PSD Number	2411-0156
Product Type	Emergency Life Support Apparatus
Product Identifiers	1032983 - 071.623.98 HOOD ASSY ELSA SPRINT. Additional product codes are listed at Annex A.
Product Description	The 3M™ Scott™ ELSA (Emergency Life Support Apparatus) is an escape breathing apparatus which provides a constant supply of air for rapid escape from hazardous industrial and marine environments. It is supplied with a portable compressed air cylinder should the air become unbreathable. A fully charged air cylinder would provide the user with at least 15 minutes of breathable air to leave the hazardous area.
Country of Origin	United Kingdom
Counterfeit	No
Risk Level	Low
Risk Type	Respiratory
Risk Description	<p>3M™ Scott™ Fire &amp; Safety has identified a quality issue involving a limited quantity of certain batches of hood assemblies on the 3M™ Scott™ ELSA Sprint.</p> <p>A limited number of ELSA Hood assemblies have been identified with a seam defect that may cause air to leak from the hood and contaminants from the external environment to flow into the hood.</p> <p>The affected part numbers were supplied between the 29th of June 2023 and the 30th of May 2024</p> <p>3M confirm that there have been no reports of injuries or accidents associated with this notice.</p>
Corrective Measures	<p>The product has been recalled from end users.</p> <p>3M has posted a customer advisory notice on their website, for customers and authorised distributors <a href="#">3m-psd-scba-elsa-notification-july-2024.pdf</a> advising them to return any defective products to their nearest 3M Scott Authorised Service Centre.</p>
