### **RECONSIDERATION JUDGMENT OF THE EMPLOYMENT TRIBUNAL**

30

The judgment of the Tribunal following reconsideration is that the respondent unlawfully withheld wages from the claimant in the sum of One Thousand and Thirty one Pounds and 92 pence (£1031.92). The respondent shall pay to the claimant the sum of One Thousand and Thirty one Pounds and 92 pence (£1031.92) in respect thereof and not the sum previously stated. In so far as not altered by this judgement the terms of the previous judgement are hereby reinstated.

### **REASONS**

1. On 13<sup>th</sup> October 2023 I issued a judgement in this case finding in favour of the claimant and awarding the claimant the sum of £2401.01. I indicated in my judgement that this figure was based on the limited information made

available to me and I invited the parties to apply for reconsideration if this figure was not correct. Since that date the respondent has applied for reconsideration and produced an amended schedule of loss bringing down a correct figure of £1031.92. The claimant's representative has confirmed that they are in agreement that this figure is correct.

2. Accordingly I consider that it is appropriate to make a reconsideration judgement without holding a hearing in terms of rule 72 of the Employment Tribunals (Constitution and rules of procedure) regulations 2013 schedule 1.
