## HM Revenue & Customs (HMRC) Required Information (Parts E-H)

As a result of legislation introduced by HM Revenue & Customs (HMRC) we require the details of other pension awards that you are in receipt of. Under HMRC legislation we cannot process any payment of benefits if this information is not provided.

From 6 April 2024, there is a limit on the total amount of lump sums and lump sum death benefits that you can receive free from Income Tax. These are the Lump Sum Allowance (LSA) and the Lump Sum and Death Benefit Allowance (LSDBA). The limits are based on the 2024 Lifetime Allowance (LTA) rates however may be higher if you have former LTA protection.

*If you require more information about LTA, Primary or Fixed Protection please seek guidance from HMRC directly prior to completing and returning the form.*

### Part E - Important note - Please read as this may impact on your future financial well-being

Further details on the recycling of Pension Lump Sums can be found at:  
<https://www.gov.uk/hmrc-internal-manuals/pensions-tax-manual/ptm133810>

You can also call HMRC helpline on **0300 123 1079**. If you are calling from abroad telephone **+44 (0) 300 123 1079**.

The notes below are for your guidance only. If in doubt, please discuss this matter with HMRC in the first instance.

#### **Please note:**

Veterans UK has a legislative duty to record pension re-investment, inform HMRC of your investment intent and report breaches of the recycling rules.

Veterans UK report to HMRC does not remove the legislative requirement for you to independently report your investment or investment intent to HMRC.

If you intend to re-invest some or all of your pension lump sum into another pension arrangement and your lump sum is less than £7,500, the pension recycling rule does not affect you. If this is the case, your answer to question (ii) below will be no and you should then **go to Part F**.

If the amount which you are re-investing in another pension arrangement is less than 30% of your Pension Lump Sum, the pension recycling rule does not affect you. If this is the case your answer to question (iii) below will be **no** and you should then **go to Part F**.

**Warning.** If you re-invest and breach the current recycling allowance, HMRC consider this to be an unauthorised (Pension Scheme) member payment and you will be liable to tax on the reinvested amount at 40% which will also attract a further 15% pension surcharge i.e., you will be liable to a tax charge of 55%.
