PSD Number	2408-0078
Product Type	Childcare Articles and Children's Equipment – Pushchair Hammock
Product Identifiers	Brand: Mazelaki Ltd
Product Description	Hammock designed to be hung on the handlebars of a pushchair or pram, which can hold up to two infants. Affected products were sold between 1 December 2023 and 12 August 2024.
Country of Origin	Poland
Counterfeit	No
Risk Level	Serious
Risk Type	Injuries
Risk Description	<p>The product presents a serious risk of injuries as the hammock is positioned below the adult user who is walking with the pushchair, and there is no restraint or physical barrier to prevent the infant from putting their limbs outside the hammock. The infant could therefore put their hands or feet into the wheel mechanism during use.</p> <p>There is also a risk that the use of the product may affect the centre of gravity of a pushchair and could lead to the pushchair tipping over during use.</p> <p>The product does not meet the requirements of the General Product Safety Regulations 2005.</p>
Corrective Measures	<p>The product has been withdrawn from the market and recalled from end users. Owners should stop using the product and email customerservices@mazelaki.co.uk with their order number to receive further instructions.</p> <p>For further information, please access the following webpage: IMPORTANT SAFETY INFORMATION – Product Recall - MAZELAKI pram hammock pram accessory</p>
