SUMMARY REASONS

Background

1. Following an objection from the Tenant to the determination of a fair rent by the Rent Officer, the Tribunal has made a determination under the provisions of the Rent Act 1977.

Inspection

2. The Tribunal did not inspect the property but considered this case on the basis of the papers provided by the parties.

Evidence

3. The Tribunal has consideration of the limited written submissions provided by the Tenant's representative. There were no written submissions from the Landlord.

Determination and Valuation

4. Based on our own expert, general knowledge of rental values in the area, we consider that the open market rent for the property in good tenable condition would be in the region of £420 per week. From this level of rent we have made adjustments in relation to:

Tenant repair and internal decoration obligations
No white goods
No furniture, carpets or curtains
Condition

5. The Tribunal has also made an adjustment for scarcity.

6. The full valuation is shown below:

Market Rent		per week £420

		£126
		£294
<i>Less</i>		
Scarcity	approx. 20%	<u>£58.80</u>
		£235.20
	Say	£235.00

7. The Tribunal determines a rent of £235.00 per week.

Decision

8. The uncapped fair rent initially determined by the Tribunal, for the purposes of section 70, was £235.00 per week. The capped rent for the property according to the provisions of the Rent Acts (Maximum Fair Rent) Order 1999 is calculated at £274.50 per week. The calculation of the capped rent is shown on the decision form. In this case the lower rent of £235.00 per week is to be registered as the fair rent of this property.
