18 January 2024

Dear

Thank you for your email of 4 January 2024 which contained your request for information. The Government Legal Department ("GLD") have processed your request for information under the Freedom of Information Act 2000 ("the Act")] / [the Environmental Information Regulations 2004 ("the Regulations").

Please could you tell me how many laptops, tablets and phones belonging to staff at the Government Legal Department were misplaced in 2023.

I would like this data to include the following information:

- How each device was misplaced (i.e. lost or stolen?)

- Which agency/service the devices belonged to

- Whether the devices were encrypted

- The type of device that was lost (i.e. laptop, phone or tablet, and the make/model)

- How many of these misplaced devices were found or handed in

I'm happy for this information to be provided in digital format.

Response
