Subpages

- Introduction H2001 - H2020
- Capital disregarded indefinitely H2021 - H2089
- Capital disregarded for up to 12 months H2090 - H2109
- Capital disregarded for up to 6 months H2110 - H2999

Introduction H2001 - H2020

Introduction

H2001 All capital is to be taken into account unless it is to be¹

1. treated as income **or**
2. disregarded.

1 [UC Regs, reg 46\(1\)](#)

Onus of proof

H2002 The claimant has to show that the capital can be disregarded. If there is no evidence to show capital can be disregarded, it is included when working out the amount of capital a claimant and their partner has.

What the DM decides

H2003 The DM decides if capital can be disregarded

1. at the date of claim, revision or supersession **and**
2. before it is valued.

The DM does not have to know the value of capital to decide if it can be disregarded.

H2004

H2005 Capital is disregarded¹

1. indefinitely **or**
2. for a period of up to 12 months **or**
3. for a period of up to 6 months **or**

4. for more than 6 months if it is reasonable.

Business assets

The law

H2021 [\[See ADM Memo 11/20\]](#) [\[See ADM Memo 10/20\]](#) Assets which are used wholly or mainly for the purposes of a trade, profession or vocation which the person is carrying on, are disregarded indefinitely¹.

¹ [UC Regs, Sch 10, para 7](#)

Example

John owns an amusement arcade in Bournemouth. He stopped working in the arcade on 31 October and claimed UC on 3 November. The assets of the business are a lease on the building, gaming machines and tools used to repair the machines. John states the value of these assets is £45,000. John also states that he is not going to sell the assets because he needs them when he opens the arcade again in the following April. The DM decides that the assets of the business can be disregarded.

Note: A different disregard applies if persons are not able to work in the business because they are ill or physically or mentally disabled and are going to start or return to work in the business (see H2117).

Meaning of business assets

H2022 Business assets include standard items such as machinery, vehicles, fixtures and cash held in the bank (including money held following the sale of assets). They may also include items such as customer lists and contacts, current and future contracts and goodwill.

H2023 In the event of their sale, assets may result in an income or capital receipt. A sale of an asset such as “work in hand” may result in an income receipt and so would be appropriate for inclusion in the profit and loss account¹. Where doubt exists as to whether a particular asset would represent a capital or income receipt upon its sale, the principles of commercial accounting must be applied i.e. the approach that would be taken by an accountant or the HMRC to such a receipt or holding.

1 [UC Regs, reg 57\(3\)](#)

Meaning of gainful self-employment

H2024 A claimant is in gainful self-employment if for the purposes of UC, the Secretary of State has determined that

- 1.** the claimant is carrying on a trade, profession or vocation as their main employment **and**
- 2.** the earnings from **1.** above are self-employed earnings **and**
- 3.** the trade, profession or vocation is organised, developed regular and carried on in expectation of profit¹.

Note: Please see chapter H4: Earned Income: self-employed earnings for details.

1 [UC Regs, reg 64](#)

H2025 People can be in gainful self-employment even if they have another job as an employee.

When people are working in the business

H2026 People are working in the business if they do some work for the business in a practical sense. There is no set definition of the type and amount of work that has to be done for the person to be classed as carrying on a trade, profession or vocation and the DM must decide each case on its merits¹.

1 [R\(IS\) 14/98](#)

H2027 A partner in a business managed and worked exclusively by others is not working in the business. Such people are often known as a “sleeping partner”. Even if that person receives a share of the profits of the business he is not engaged in that trade, profession or vocation¹.

Personal injury compensation payments

H2028 [[See ADM Memo 07/20](#)] Where a person has been awarded a sum in consequence of a personal injury to that person and the sum is

1. held in trust **or**
2. administered on behalf of that person by the court **or**
3. only able to be disposed of by the direction of the court

the amount shall be disregarded from the calculation of the person's capital¹. (See also H2092.) Payments made from the Criminal Injuries Compensation Fund and the Thalidomide Trust will be included in this disregard.

1 [UC Regs, reg 75\(1\), \(4\) & \(5\)](#)

H2029 The meaning of made "in consequence of a personal injury" can include where the claimant's solicitor fails to secure the personal injury payment and the claimant sues their solicitor for professional negligence and receives a compensation payment to the value of what they should have received. However if any damages are also paid for any additional loss created by the professional negligence then this would not be disregarded¹.

Note 1: Payments of income from the trust are income from capital. However such income is disregarded (see ADM Chapter H5: Unearned income).

Note 2: This disregard does not apply if the injury was to a claimant's deceased partner².

Note 3: A payment made in relation to the costs of care associated with an unwanted child in a "wrongful birth" case is a payment made because of a personal injury, for instance in the case of a failed sterilisation or vasectomy.

1 [KQ v SSWP \(IS\) \[2011\] UKUT 102 \(AAC\); \[2011\] AACR 43](#); 2 [R\(IS\) 3/03](#)

H2030 Payments can only come within this disregard where the claimant or partner for whom the payment was made themselves suffered a physical and/or psychological injury. If there is any doubt as to what the payment was awarded for, then the DM should request sight of the papers awarding the amount. These should specify on what basis the award was made.

Example 1

Peter's wife was killed in a road traffic accident and he was awarded £36,000 which covered loss of earnings. As the award was not due to Peter suffering any injury to himself, then this amount would be

taken in account when calculating his capital.

Example 2

Fiona received £100,000 as the result of an assault on her partner which resulted in his death. The award was for the psychological injury to Fiona arising from her witnessing the attack. As the amount was awarded for the injury to Fiona, the amount is disregarded in calculating her capital.

Premises occupied as the home

The law

H2031 The premises occupied by a person as their home is disregarded indefinitely. Only one set of premises can be disregarded¹. In some circumstances, more than one property can make up the premises occupied as the home².

1 [UC Regs, Sch 10, para 1](#); 2 [Secretary of State v. Miah; R\(JSA\) 9/03](#)

H2032 – H2036

Premises which have not been occupied as the home

H2037 Premises which

- 1.** have been bought **and**
- 2.** have not been lived in as the home by the claimant or any member of the claimant's family cannot be disregarded¹ as premises occupied as the home.

1 [R\(SB\) 27/84.pdf](#)

Premises not occupied as the home for a time

H2038 Premises usually occupied as the home are disregarded if

- 1.** they are not occupied for a time **and**
- 2.** the intention is to return to live in the premises as the home.

For example, if a person goes into residential care on a temporary basis and intends to return to the house which the person usually occupies as the home, the house is disregarded.

Croft land and small-holdings

H2039 Croft land and small-holdings can be treated as part of the premises occupied as the home if they cannot be sold separately.

More than one set of premises owned

H2040 If a claimant owns more than one set of premises, the DM will have to decide whether each set of premises can be disregarded as the premises occupied by a person as their home. Where a claimant has only one home that is spread over two physical buildings the DM should decide that each is the premises occupied as the home if each is normally occupied by the claimant.

H2041 Factors the DM should consider when deciding whether the claimant has only one home are

1. the proximity of the premises, the closer premises are to each other the more likely they are to be one home

2. who lives in each of the premises, for example whether

2.1 each of the premises is occupied by members of the claimant's family (see ADM Chapter E2: Awards, benefit unit and maximum amount) **or**

2.2 one of the set of premises is occupied solely by non-dependants

3. the reason for the purchase of more than one set of premises, for example whether it was

3.1 to avoid statutory overcrowding¹ **or**

3.2 an investment opportunity **or**

3.3 to have a

3.3.a weekend retreat **or**

3.3.b country cottage.

If **2.2**, **3.2** or **3.3** apply, the DM should decide that the claimant **does not** have only one home and therefore only one set of premises would be disregarded as the premises occupied as the home.

¹ [Housing Act 1985, s 325 & 326; Secretary of State v. Miah; R\(JSA\) 9/03](#)

H2042 When considering whether the claimant normally occupies more than one set of premises as his home, the DM should decide that the claimant's home is the place where he

1. lives

2. eats

3. sleeps

4. bathes

5. relaxes

6. enjoys with his family.

Example 1

Keith and Elma have eleven children, eight of whom are at school and three of whom are in work. They all lived in a three bedroomed house. When Keith and Elma are advised of the rules of statutory overcrowding they purchase another three bedroomed house in the same street. There are two other properties between the houses Keith and Elma own. Elma and the five youngest children continue to live in the original house and the other children go to live in the newly purchased house. Keith lives, sleeps, eats, bathes, relaxes and enjoys with his family the original house four days a week and the newly purchased house three days a week. Keith is made redundant and claims UC. The DM decides that Keith normally occupies both houses. The DM also decides that both houses are disregarded as the premises occupied as the home.

Example 2

Carys lives in Cambridge and is in receipt of UC. She inherits a cottage in Wales. Carys has relatives who live in Wales. She therefore decides to keep the cottage for her use when she visits her relatives. The DM decides that the cottage in Wales is not disregarded as the premises occupied as the home.

Example 3

Bruce owns a house in London. He gets a job in Manchester and buys a flat there to live in during the week. He spends the weekends at his house in London. Bruce loses his job and returns to London to claim UC. He states he will live in London but will visit his flat once a month in order to maintain it and possibly look for work in Manchester. The DM decides that Bruce does not normally occupy the flat in Manchester. The DM also decides that the flat in Manchester is not disregarded as the premises occupied as the home.

Example 4

Adam is single. He lives at 25 Station Road which is a semi-detached house. The house adjoining his, 27 Station Road, comes on the market after being uninhabited for two years. It is in a derelict condition. Adam buys it cheaply. He sometimes sleeps and eats at 27 Station Road while he undertakes the necessary repairs in order to let or sell it but he spends most of his time at 25 Station Road. Adam then suffers an injury at work and claims UC. The DM decides that as Adam purchased 27 Station Road as an investment it is not disregarded as the premises occupied as the home.

Example 5

Wasim and his wife Ruksana live in a four bedroomed house. They have twelve children. To avoid statutory overcrowding, Wasim and Ruksana buy another house in the street where they live. Their four eldest children, all of whom are aged over 21 live in this other house and Wasim, Ruksana and their other

children do not spend any time there. Wasim is made redundant and makes a claim for UC. The DM decides that only the house where Wasim and Ruksana live can be disregarded as the premises occupied as the home.

Life insurance policies

The law

H2043 The value of a life insurance policy still in force is disregarded indefinitely¹.

1 [UC Regs, Sch 10, para 9](#)

Investments which include life insurance

H2044 Investments which include some life insurance are disregarded indefinitely if the agreement states how payment on death is worked out. It does not matter whether the amount paid on death is

1. more than **or**

2. equal to **or**

3. less than

the amount the person would get if the investment is surrendered the day before the date of death¹.

1 [R\(IS\) 7/98](#)

Money deposited with a housing association

H2045 Money deposited with a housing association is disregarded indefinitely if the money has to be deposited as a condition of living in the home¹. A housing association is a non-profit making voluntary body formed with the aim of providing good quality low cost housing². See H2119 for disregard where money is deposited with a housing association to purchase premises.

1 [UC Regs, Sch 10, para 12](#); 2 [Housing Association Act 85, s 1\(1\)](#)

Occupational and personal pensions

The law

H2046 The value of any right to receive a pension under

1. an occupational or personal pension scheme¹ **or**

2. any other registered pension scheme²

is disregarded indefinitely³.

1 [Pension Schemes Act 1993, s 1; Finance Act 2004, s 153](#); 2 [UC Regs, Sch 10, para 10](#)

Payment made to holders of the Victoria Cross or George Cross

H2047 Any payment made to people because they hold the

1. Victoria Cross or

2. George Cross

1 [UC Regs, Sch 10, para 19](#)

Premises lived in by a close relative

The law

H2048 Premises that are occupied as the home by a close relative of a person are disregarded indefinitely where the close relative has

1. LCW or

2. reached the qualifying age for SPC¹.

1 [UC Regs, Sch 10, para 2](#)

H2049 A close relative in relation to a person means¹

1. parent

2. parent-in-law

3. son

4. son-in-law

5. daughter

6. daughter-in-law

7. step-parent

8. step-son

9. step-daughter

10. brother

11. sister

12. where any of **1.** – **11.** is a member of a couple, the other member of the couple.

1 [UC Regs, reg 2](#)

Premises occupied by former partner

H2050 Premises that are occupied by a person's former partner as their home are disregarded indefinitely where the person and their former partner are not estranged but are living apart by force of circumstances. For example, where the person is in long-term care¹.

1 [UC Regs, Sch 10, para 3](#)

Special compensation schemes

H2051 [[See Memo ADM 13/20](#)] [[See Memo ADM 09-24](#)] Where a person receives a payment of capital from one of a specified type of compensation scheme, such a payment will be disregarded indefinitely from the calculation of that person's capital¹. The compensation schemes are those established or approved by the Secretary of State or from a trust established with funds provided by the Secretary of State and

1. provide compensation or support in respect of²

1.1 a person

1.1.a having been diagnosed with variant Creutzfeldt-Jakob disease **or**

1.1.b being infected from contaminated blood products (these schemes include The Fund, the Eileen Trust, MFET Ltd, SIBSS (in Scotland) and an approved blood scheme (in England and Wales) **or**

1.8 any Post Office compensation payment

1.9 Grenfell Tower payment

1.10 the Victims of Overseas Terrorism Compensation scheme

2. support persons with a disability to live independently in their accommodation³.

Note: A child abuse payment may also include an element paid in respect of a person having been in “harm’s way”. This means that the person might not have suffered actual abuse but was in an environment where they were at risk.

[1 UC Regs, reg 76\(2\)](#); [2 reg 76\(1\)\(a\)](#); [3 reg 76\(1\)\(b\)](#)

H2052 Where a claim for UC is made from a person other than a person diagnosed with variant Creutzfeldt-Jacob disease or infected from contaminated blood or blood products, a payment

1. from a scheme established or approved by the Secretary of State **or**

2. from a trust established with funds provided by the Secretary of State to provide compensation for having been so diagnosed or infected **or**

3. which derives from such a payment

is disregarded in any of the circumstances in which it would be disregarded in relation to an award of SPC¹.

Note: See paragraph DMG 84426 et seq and DMG 84462 et seq for guidance on disregard in SPC.

[1 UC Regs, reg 76\(3\); SPC Regs, Sch V, paras 13 & 15](#)

Payment included with other capital

H2053 If the payment is included with other capital the disregard does not apply to the other capital.

H2054 If money is withdrawn from an account which includes the payment and other capital accept the money withdrawn is from the other capital and not the payment. If there is evidence to show the money withdrawn is from the payment and not the other capital accept that evidence.

H2055 - H2056

Funeral plan contract

H2057 The value of a funeral plan contract is disregarded indefinitely. “Funeral plan contract” means a contract where a person makes payments to secure the provision of a funeral in the UK for the person on their death and where the sole purpose of the plan is to provide for a funeral¹.

- 2.** welfare needs related to disability or old age (other than living expenses²)

Example

John received arrears of DLA amounting to £2,400 on 1.10.13. He claims UC on 24.02.14. The £2,400 arrears of DLA are disregarded when calculating his capital up to 30.9.14.

Arrears and concessionary payments of £5,000 or more

H2092 Where

1. a person has received a payment of arrears of, or compensation for non-payment of arrears of benefit or AFIP¹ of £5,000 or more **and**

2. the payment

2.1 is received during the current UC award and the payment would be disregarded from the calculation of capital of the claimant if the claimant were entitled to an existing benefit² (see ADM

M6003) or SPC **or**

2.2 was received during an award of an existing benefit or SPC (the earlier award) and the claimant became entitled to the current UC award within one month of the date of termination of the earlier award and the payment was disregarded from the calculation of the claimant's capital for the purposes of the earlier award **and**

3. the period of entitlement to benefit or AFIP to which the payment of arrears or compensation relates, begins before the first day on which the abolition of existing benefits comes into force

the payment is disregarded for a period of 12 months from the date of receipt of the payment or until the termination of the current award, whichever is the later³.

1 UC(TP) Regs, reg 10A(3); 2 reg 2(1); 3 reg 10A

Example 1

Glyn is entitled to UC. His award began on 17.5.18 when he moved to a different LA area and was unable to claim HB. On 23.10.18 he receives a payment of £6,802.03 arrears of ESA(IR) after the decision converting an award of IB to ESA is revised for official error. Glyn's award of UC ends on 3.2.20 when he claims SPC. The payment is disregarded as capital for the whole of Glyn's award of UC.

Example 2

Chantelle is entitled to IS as a lone parent, as well as PIP standard daily living component. In April 2019 she receives a payment of £7,099.65 arrears of PIP after her PIP award is superseded for error of law to include the mobility component from 28.11.16. The payment is disregarded as capital for the purposes of IS. On 10.7.19 Chantelle's award of IS ends when her youngest child reaches the age of 5. Chantelle claims and is awarded UC from 11.7.19. The remaining amount of arrears of PIP continues to be disregarded as capital for the purposes of UC.

Maternity allowance payments

H2093 Where

1. the conditions in H2092 **2.** and **3.** are satisfied **and**

2. the claimant has received a payment of arrears or a payment to compensate due to the non-payment of arrears of MA of under £5000

that payment is disregarded from the calculation of the claimants's capital for a period of 12 months from the date of receipt of that payment¹.

1 UC (TP) Regs, reg 10B

Personal injury payment

H2094 Where a person has received a payment in consequence of a personal injury but it

1. is not held in trust **or**
2. has not been used to purchase an annuity **or**
3. has not been otherwise disposed of

it can be disregarded if it has been paid to the person within the previous 12 months¹. (See also H2028.)

1 [UC Regs, reg 75\(6\)](#)

The social fund

H2095 A payment made from the social fund within the last 12 months will be disregarded¹.

1 [UC Regs, Sch 10, para 16; SSCB Act 92, Part 8](#)

Best Start Grants

H2096 The Scottish Government introduced Best Start Grants to provide early years assistance to people living in Scotland¹. From 10.12.18 under Best Start Grants, Pregnancy and Baby Grants are being introduced, with other elements introduced at a later date. The Scottish Government will be responsible for deciding on the claims to these grants and for making payments. All elements of Best Start Grant are disregarded for a period of 12 months from the date on which they are paid².

Funeral support payments

H2097 The Scottish Government introduced Funeral Support Payments from 16.9.19 to provide financial assistance for funeral expenses to people who live in Scotland. FSPs made within the last 12 months are disregarded¹.

1 [UC Regs, Sch 10, para 22](#)

Energy rebate scheme

H2098 Payments made from the energy rebate scheme 2022 (see H2099) will be disregarded as capital

for a period of 12 months from the date of receipt¹. This would include the £150 council tax rebate and payments from the discretionary fund.

[1 UC \(ERS disregard\) regs 2022](#)

H2099 The energy rebate scheme means

1. the scheme announced by parliament to provide financial support in respect of energy bills **and**
2. any comparable scheme announced by Welsh and Scottish ministers.

Local Welfare Provision

H2100 A disregard applies to a payment received within the past 12 months by way of local welfare provision¹ including arrears and payments in lieu of local welfare provision from the date it was received.

[1 UC Regs sch 10 para 18A](#)

H2101 Local welfare provision means occasional financial or other assistance given by a local authority, Scottish Ministers or Welsh Ministers, or a person authorised to exercise any function of, or provide a service to them, or in respect of individuals for the purpose of

1. meeting, or helping to meet, an immediate short-term need

1.1 arising out of

1.1a an exceptional event or

1.1b exceptional circumstances and

1.2 that requires to be met in order to avoid a risk to the well-being of an individual or

2. enabling individuals to establish or maintain a settled home, where those individuals have been or, without the assistance, might otherwise be

2.1 in prison

2.2 in hospital

2.3 in a residential care establishment

2.4 in another institution

2.5 homeless or

2.6 living an unsettled way of life.

[UC Regs reg 2](#)

Note: This means from 4.5.22 a disregard will apply to any such payment made as defined above for the period of 12 months from the date the payment is received.

Example

Harry is entitled to UC on 10.5.22. He declares that he has received a payment from the household support fund on 9.5.22. Harry explains that this is part of the 'thank you' payments for homes for Ukraine. The DM disregards this payment for a period of 12 months as it is financial assistance given by the local authority under local welfare provision.

Bereavement Support Payment

H2102 Where a claimant in receipt of UC

- 1.** makes a claim for BSP 12 months or less after their spouse or civil partner died **and**
- 2.** receives an additional payment of BSP for the first month of their BSP period at either the higher (£3,500) or standard (£2,500) rate¹

the first additional monthly payment is disregarded when calculating that person's capital, where it is made within the previous 12 months².

Note: Where a claimant receives arrears of the regular monthly payment, these are not subject to the capital disregard.
