Schedule of Conditions

1. The movement of animals shall be from a premises located within a restricted zone in England to: :
 - a slaughterhouse in England, Wales, or Scotland
 - a bluetongue dedicated slaughter market in England for onwards transport to a slaughterhouse in England, Wales, or Scotland
2. The source premises must not be under a bluetongue premises restriction notice. See note 10 to define where this applies.
3. The destination slaughterhouse at condition 1 must be in England, Wales or Scotland.
4. Movements via dedicated slaughter market are only permitted to slaughter markets located in England.
5. The journey permitted under this licence is the entire journey from the animal leaving the source premises to slaughter at the destination slaughterhouse. The conditions of this licence apply to all involved in the movements under this licence including moves to the slaughter market for sale and from the slaughter market on to slaughter.
6. Immediately prior to each part of the move, the licensee must inspect the animals to be moved under authority of this licence for clinical signs of bluetongue infection. If any animal inspected or other animal not currently under restriction at the source premises displays signs that may be indicative of bluetongue infection, the animal should be kept isolated from the rest of the herd/flock, and this should be reported to APHA immediately. In such a case, no animal must be moved off the holding of origin under this licence. If signs are identified at the bluetongue approved slaughter market, the individual animal showing clinical signs shall not be moved.
7. Once loaded and the journey started, animals are prohibited from being unloaded until arrival at the destination premises or either the slaughter market or designated slaughterhouse.
8. Single or multiple pick-ups are permitted in the free area prior to single or multiple pick-ups in a Restricted Zone.
9. All multiple pick-ups must take place on the periphery of premises using the approved methods described below:
