Use the supporting notes to prevent any delays to the application

Where you see this icon it means there's additional information in the Supporting Notes which will help you complete your supporting application. The notes start on page 12.

This could be information about how to complete a question or section or an instruction to send specific supporting documents.

Read the notes – if you don't answer a question or section correctly or you don't include the documents we need this will delay the students application.

What details do I need to provide?

You need to provide:

- your personal details, such as your name and address;
- your National Insurance (NI) number (if you have one);
- details of any income from the UK or overseas for tax year 2023-24 that HM Revenue and Customs (HMRC) doesn't know about;
- details of any pension payments you made for the tax year 2023-24; and
- details of any other dependants.

Why do I need to tell you my income from the 2023-24 tax year?

We use figures from this tax year because it is the most up-to-date information that HMRC holds for you. You must tell us your 2023-24 income details as we cannot accept amounts from any other tax year. This ensures the student(s) you're supporting receives everything they're entitled to.

What happens if my household income has dropped since tax year 2023-24?

If your household income is expected to or has dropped by at least 15% since tax year 2023-24, you can apply for a current year income assessment. This means we'd assess the student for funding based on your estimated income for tax year 2025-26.

You must still complete this form but can provide a more up to date income figure later to ensure the student gets paid the right amount. Read page 12 of the supporting notes for information on how to apply for a current year income assessment.

To find out how we'll use the information you provide go to www.gov.uk/studentfinance to read our Privacy Notice before completing this form.

Information about data sharing for bursary and scholarship purposes

Universities and colleges will be offering financial awards such as bursaries or scholarships to their students. To help them administer these awards (i.e. to determine eligibility and entitlement to, and if relevant pay, a bursary or scholarship - 'bursary administration purposes') they will ask the Secretary of State or Student Loans Company for access to information you provide in connection with any application for student finance for academic year 2025/26 (whether on this form or at a later date).
