

Inspection of HMP/YOI Standford Hill

Inspectors visited this prison in October 2024.

We wanted to find out if things were better, the same or worse for prisoners since we last visited in 2019.

We did this by:

- looking around the prison
- asking prisoners and staff to fill in a questionnaire
- speaking to prisoners
- speaking to staff and helpers
- reading documents.

What did we find?

Prisoners felt safe.

We gave the prison 4 out of 4 for this.

Prisoners said staff treated them well. Showers, toilets and wing kitchen areas were not clean enough.

We gave the prison 3 out of 4 for this.

Prisoners went to education and work classes. They could go to work in the community if they behaved well.

We gave the prison 4 out of 4 for this.

Prisoners could get visits from their families. They could visit their families in the community if they behaved well.

We gave the prison 4 out of 4 for this.

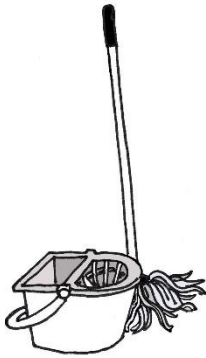

What should the prison do?

We want the governor to read our inspection report. You can find the report in the prison library.

We want the governor to make a plan. The plan should tell us how they will fix the problems at HMP/YOI Standford Hill and make things better for prisoners.

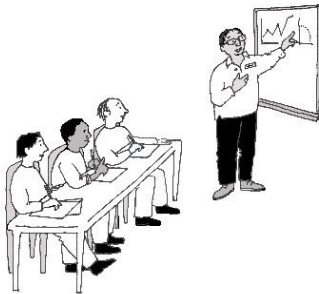

What do we want to happen?

We want showers, toilets and wing kitchen areas to be cleaner.

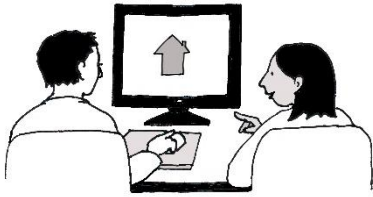

We want prisoners who work on the wings to have more to do.

We want prisoners to get to education and work on time.

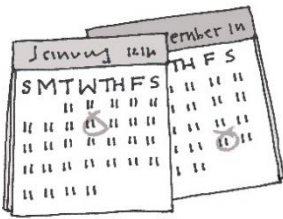

We want prisoners to be told if they can leave the prison for work or to visit family. We want them to be told more quickly.

We want the prison to do more checks on prisoners. We want them to make sure prisoners are safe to leave the jail to go to work or visit family.

What will we do?

We will come back in a few years to check how well the prison is doing. We will write a report to tell people what we find.
