

Bristol City Council Community Infrastructure Levy Report (2023/24)

Background

1. Bristol City Council's Community Infrastructure Levy (CIL) charges took effect on 1 January 2013 and the Council is both a CIL Charging and a CIL Collecting Authority. Regulation 121A of the Community Infrastructure Levy Regulations 2010 (as amended) requires CIL Charging Authorities to produce an annual report detailing CIL income and expenditure. This is Bristol City Council's annual report for the year 1 April 2023 to 31 March 2024.

Allocation of CIL

2. CIL income is required to be allocated as follows:
 - Up to 5% of CIL can be applied towards its implementation and ongoing administration.
 - 15% (25% in areas that have a Neighbourhood Development Plan in place) of CIL is passed to the Parish Council in whose boundary the development that paid the CIL is located. It is to be spent on the provision of local infrastructure improvements or other measures to support the development of the area (referred to as Local CIL).
 - 80% (70% in areas that have a Neighbourhood Development Plan in place) of CIL is to be applied to strategic infrastructure to support the growth of the CIL Charging Authority's area (referred to as Strategic CIL).

Parish Councils / Area Committees

3. The administrative area of Bristol City Council does not contain any parishes. However, decisions over the spending of Local CIL are devolved to the 6 Area Committees, which became responsible for taking decisions over the allocation of Local CIL from 1 April 2018. Allocation decisions are taken by Area Committees, which comprise the elected Ward Members in each Area Committee area. The decisions are taken in formal open meetings that are minuted by the Council's Democratic Services officers. Area Committee Agendas and the Minutes of the Area Committee meetings are published on the Council's website.
4. This annual report includes income and expenditure relating to the Area Committees.

Neighbourhood Development Plans

5. There are currently three Neighbourhood Development Plans that have been approved in the Council's area. These are the Old Market Neighbourhood Development Plan which took effect on 15 March 2016, the Lawrence Weston Neighbourhood Development Plan

which took effect on 15 March 2017, and the Hengrove and Whitchurch Park Neighbourhood Development Plan, which took effect on 15 February 2019.

6. In order to qualify for the increased percentage (25%) of Local CIL, the relevant CIL income must have been received from a development that was granted planning permission in an area covered by a Neighbourhood Development Plan, after the Plan had been approved in a local referendum. CIL payments to which the increased percentage relates in respect of the Old Market Neighbourhood Development Plan area are highlighted in Green in Appendix A, those in respect of the Lawrence Weston Neighbourhood Development Plan area are highlighted in Blue in Appendix A, and those in respect of the Hengrove and Whitchurch Park Neighbourhood Development Plan area are highlighted in Orange in Appendix A.

Neighbourhood Development Plan Area	25% CIL Funding Received in 2023/24	25% CIL Funding Received in previous years	Total
Old Market	£71,231.61	£1,053,365.32	£1,124,596.93
Lawrence Weston	£6,046.88	£309,577.94	£315,624.82
Hengrove & Whitchurch Park	£26,517.32	£376,103.78	£402,621.10
Total	£103,795.81	£1,739,047.04	£1,842,842.85

CIL Demand Notices (2023/24)

7. The total value of CIL set out in the 137 CIL Demand Notices issued during 2023/24 was **£10,828,716.13**. It should be noted that not all of this CIL would have been expected to be received during 2023/24. This is because (1) CIL liabilities of over £35,000 are payable in instalments over an 18-month period, and (2) any CIL liabilities contained in Demand Notice issued towards the end of 2023/24 would not become payable until 2024/25 or even 2025/26.

CIL Income (2023/24)

8. Total CIL income in 2023/24 was **£10,602,834.11**. Details of each CIL receipt and how it was apportioned are set out in Appendix A. The Council did not receive any land or infrastructure payments (i.e. the provision of land or infrastructure in lieu of paying CIL) during 2023/24.

9. Local CIL income devolved to Area Committees in 2023/24 was **£1,631,947.86**. Summaries of CIL income and expenditure for 2023/24 for each Area Committee are contained in Appendices C to H.

Strategic CIL Allocations (2 September 2011 to 31 March 2024)

10. Allocations of Strategic CIL were made either by the Council's Cabinet or by Full Council at formal open meetings that were minuted by the Council's Democratic Services officers. All Strategic CIL allocations made up to 31 March 2024 are identified in the following table. This shows that allocations totalling **£80,555,000** have been made, of which **£26,938,883.39** has been drawn down. Consequently **£53,616,116.61** of Strategic CIL has been allocated but not yet drawn down.

The Strategic CIL Summary for 2023/24 is contained in Appendix B. It should be noted that the figures in these tables are different by a few pence from those in the appendices. This is due to rounding when CIL Receipts are divided into the Strategic, Local and Administrative components.

CIL Administrative Expenses (2023/24)

13. The sum of **£530,113.85** was ringfenced for the administration of CIL in 2023/24, which is 5% of total CIL income for the year. This reflects the overall level of resources required to administer the collection, enforcement, and spending of CIL.

Anticipated CIL income for 2024/25

14. CIL income of in the range of £8,000,000 to £9,000,000 is anticipated for the 2024/25 financial year.
