

Stokke® YOYO 3 Pram

Aspect	Details
Images	
PSD Number	2410-0182
Product Type	Childcare articles and children's equipment – Pushchair/stroller
Product Identifiers	Brand: Stokke® Affected serial numbers: 142AA followed by numbers that fall below 0062239.
Product Description	A four wheeled folding baby stroller/pram sold in various colours. Prams with a serial number that does not contain "AA" are not affected by the issue.
Country of Origin	China
Counterfeit	No
Risk Level	Not provided
Risk Type	Injuries
Risk Description	<p>The affected products present a risk of injuries as a parking brake issue has been identified. This could lead to the unintentional release of the brake during use, resulting in the pram being insecurely parked and presenting an injuries risk to the infant user.</p> <p>Products with the affected serial number do not meet the requirements of the General Product Safety Regulations 2005.</p>
Corrective Measures	<p>The affected products have been recalled from end users.</p> <p>Owners of the YoYo 3 should stop using the product immediately and review the serial number marked on the underside of the pram. You should then access the Stokke recall portal here: https://recall.stokke.com/yoyo3 where you can enter your serial number into the checker and follow the steps to seek the applicable remedy.</p> <p>Alternatively, should you have any questions, or require advice on next steps, please visit the Stokke customer service site here: https://www.stokke.com/GBR/en-gb/customer-service/customer-service-contact-form.html</p>
Online Marketplace	N/A
