<b>Product Description</b>	A red and black electric leaf blower with lithium-ion battery and charger.
<b>Country of Origin</b>	China
<b>Counterfeit</b>	Unknown
<b>Risk Level</b>	Serious
<b>Risk Type</b>	Fire
<b>Risk Description</b>	<p>The product presents a serious risk of fire, as over time wires could come loose from the soldering due to vibrations/shocks. This is because the wires had only been soldered directly to battery connections with no secondary means of fixing.</p> <p>This could mean a wire might touch other connections that draw a high current, causing the product to catch fire. Improvements are also required to quality assurance, documentation, markings and the declaration of conformity.</p> <p>The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008.</p>
<b>Corrective Measures</b>	The import has been rejected at the border.
