

## National Highways Planning Response (NHPR 25-01) Formal Recommendation to an Application for Planning Permission

From: Steven Thulborn (Head of Planning & Development)  
Operations Directorate  
East Region  
National Highways  
[PlanningEE@nationalhighways.co.uk](mailto:PlanningEE@nationalhighways.co.uk)

To: Uttlesford District Council

CC: [transportplanning@dft.gov.uk](mailto:transportplanning@dft.gov.uk)  
[spatialplanning@nationalhighways.co.uk](mailto:spatialplanning@nationalhighways.co.uk)

**Council's Reference:** S62A/2025/0077

**National Highways Ref:** NH/25/10057

**Location:** Land West of High Street, Stebbing

**Proposal:** Erection of 28 residential dwellings (comprising 14 affordable & 11 private market homes together with 3 self-build plots); provision of public open space and associated local amenity facilities (activating Local Green Space allocation); together with integrated landscaping and car parking (to include additional community parking facility)

Referring to the consultation on a planning application dated 17 Feb 25 referenced above, in the vicinity of the A120 that forms part of the Strategic Road Network, notice is hereby given that National Highways' formal recommendation is that we:

- a) offer no objection (see reasons at Annex A);
- ~~b) recommend that conditions should be attached to any planning permission that may be granted (see Annex A – National Highways recommended Planning Conditions & reasons);~~
- ~~c) recommend that planning permission not be granted for a specified period (see reasons at Annex A);~~

d) recommend that the application be refused (see reasons at Annex A)

Highways Act 1980 Section 175B is not relevant to this application.<sup>1</sup>

This represents National Highways' formal recommendation and is copied to the Department for Transport as per the terms of our Licence.

Should the Local Planning Authority propose not to determine the application in accordance with this recommendation they are required to consult the Secretary of State for Transport, as set out in the [Town and Country Planning \(Development Affecting Trunk Roads\) Direction 2018](#), via [transportplanning@dft.gov.uk](mailto:transportplanning@dft.gov.uk) and may not determine the application until the consultation process is complete.

The Local Planning Authority must also copy any consultation under the 2018 Direction to [PlanningEE@nationalhighways.co.uk](mailto:PlanningEE@nationalhighways.co.uk).

This response and all comments outlined herein are made in respect of planning matters only in National Highways' position as a statutory planning consultee, and does not confer any proprietary rights nor amount to the giving or refusal of consent, assent, approval, or awareness of or by National Highways in or of any other aspects or matters (including, but not limited to, the use of property belonging to National Highways). If anyone wishes for National Highways to consider any aspects which do not relate to planning submissions, they should call our contact centre on 0300 123 5000.

<sup>1</sup> Where relevant, further information will be provided within Annex A.

## **Annex A National Highways' assessment of the proposed development**

National Highways has been appointed by the Secretary of State for Transport as a strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the Strategic Road Network (SRN). The SRN is a critical national asset and as such we work to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity.

### **Reasons**

This site is some distance from the strategic road network, given this and the fact that it is to construct 28 residential units, the effect on the Strategic Road Network is unlikely to be severe as traffic will be diluted by the time it reaches any junctions of the on the A120 .

### **Standing advice to the local planning authority**

The Climate Change Committee's [2022 Report to Parliament](#) notes that for the UK to achieve net zero carbon status by 2050, action is needed to support a modal shift away from car travel. The NPPF supports this position, with paragraphs 77 and 110 prescribing that significant development should offer a genuine choice of transport modes, while paragraphs 109 and 115 advise that appropriate opportunities to promote walking, cycling and public transport should be taken up as part of a vision-led approach.

Moreover, the carbon reduction hierarchy (avoid-switch-improve) as set out in clause 4.3 of PAS2080:2023 promotes approaches and measures to minimise resource consumption and thereby reduce carbon emissions.

These considerations should be weighed alongside any relevant Local Plan policies to ensure that planning decisions are in line with the necessary transition to net zero carbon.
