2 The application ①

I, being a former director/member of the above dissolved company, apply for the company to be administratively restored to the Register under section 1024 of the Companies Act 2006. The following conditions required for restoration have been met:

- The application is being made by a former director / member of the company.
- The application is being made within 6 years of dissolution.
- In the case of a company struck off the register under section 1000 or 1001 (Registrar's power to strike off defunct company), the company was carrying on business or in operation at the time of its striking off;
- In the case of a company struck off the register under section 1002A (Registrar's power to strike off a company registered on a false basis), at the time of its striking off, the registrar did not have reasonable cause to believe the matter set out in section 1002A(1)(a) or (b).
- If applicable, where property was vested bona vacantia, the Crown representative has signified to the Registrar in writing consent to the company's restoration. It is the applicant's responsibility to obtain consent and pay any costs.
- Documents relating to the company to bring up to date the company record have been properly delivered to the Registrar. ②
- All penalties outstanding under section 453 of the Companies Act 2006 at the date of dissolution have been paid. ③
- Each relevant person has paid any outstanding fines or financial penalties imposed on them in respect of an offence under the Companies Acts relating to the company. ④
- The administrative restoration fee is included with this application.

① Restoration

The Registrar will notify the applicant of the decision to restore the company under section 1025 in writing. If the decision of the Registrar is to restore the company, the restoration will take effect from the date the notification letter is sent.

② Documentation

This should include:

- This RT01 with filing fee.
- Any outstanding accounts.
- Any outstanding late filing penalties.
- Any outstanding annual returns and/or confirmation statements with filing fees.
- A bona vacantia waiver letter.
- Form AD01 (notice of change of registered office address), if applicable. If the registered office was the Companies House default address when the company was struck off, the notice must be accompanied by evidence that the new registered office is an appropriate address.
- Form EM01 (notice of change of registered email address) if applicable.

③ Late filing penalty

The company is not liable to a penalty under section 453 if the period allowed for filing the accounts and reports ended:

- after the date of dissolution,
- and before the restoration of the company to the register.

④ For meaning of 'relevant person' see section 1025 (5B) and (5C)

3 Statement of Compliance

I confirm that I am a former director/member making this application and the requirements for administrative restoration under section 1025 of the Companies Act 2006 have been met.

Enter your printed name. You do not need to include a signature.

1 Authentication

This will appear on the public record.

Name 1

4 Alternative name

If at the date of restoration the company could not be registered under its former name without contravening section 66 of the Companies Act 2006 (name not to be the same as another in the Registrar's index of company names), it must be restored to the Register under another name specified. This name is subject to the provisions of section 54 and 55 of the Companies Act 2006 (sensitive words and expressions), section 80 (change of name: registration and issue of new certificate of incorporation), and section 81 (change of name: effect) as if the application to register were a notice of change of name.

Please enter an alternative name if the former name is unavailable.
Please check the company names' index to see if the alternative name is available at: gov.uk/companieshouse

2 Alternative name

If the alternative name cannot be registered, the Registrar shall restore the company as if its company number was also its name. The company then has 14 days after the date of restoration to change its name by resolution of the directors. The company must give notice to the Registrar of the change, and sections 80 and 81 apply as regards the registration and effect of the change.

It is an offence under section 1033(6) of the Companies Act 2006 if the company name is not changed within 14 days of the company being restored with the company number as its name.
