Application for Revalidation of An Existing Deck, Engineering or ETO Officer Certificate of Competency

Use this form to revalidate your UK CoC. If you are looking to revalidate your UK Flag State Endorsement, please use form [MSF 4203](#) instead.

Before completing this form, please ensure you have read the [guidance notes](#) on pages 7 to 10.

Please complete this application form digitally, email your application and any scanned documents (including hand-signed declaration page) to revalidation@mcga.gov.uk – please note you may be selected for random screening, which will require you to post original documents to us (as per [MIN 655](#)).

Please ensure that your application is 100% complete and paid for before submission. Failure to do so may result in your application being delayed or even rejected. We aim to assess your application within **14 days** of receipt. Missing information will be requested from you and your response will be assessed in due course.

* DG Shipping India medicals **must** include 'Annexure IV – Medical Certificate for Service at Sea' page.

6. Additional Requirements For The Manila Amendments

The STCW Convention 1978 has been amended by the 2010 Manila Amendments and contains requirements for all seafarers. Seafarers revalidating their Certificates of Competency (CoC) will be required to submit additional evidence to ensure their Certificate is valid for service on certain types of ships.

You will need to submit documentary evidence of having completed **MCA-approved** or **accepted** updating-refresher training within the previous 5 years for:

- Personal Survival Techniques (STCW Table A-VI/1-1);
- Fire Prevention and Fire Fighting (STCW Table A-VI/1-2);
- Proficiency in Survival Craft and Rescue Boats Other Than Fast Rescue Boats (STCW Table A-VI/2-1);
- Advanced Fire Fighting (STCW Table A-VI/3).

DECK OFFICERS

For the revalidation of a UK Deck CoC you may be required to submit documentary evidence of any one of the following:

- MCA approved NARAS/ NAEST* (Operational Level) course completed on or after 01 January 2005; or
- MCA approved NARAS/ NAEST* (Management Level) course completed on or after 01 January 2005; or
- MCA approved ECDIS course completed on or after 01 January 2005; or
- ECDIS simulator training course in compliance with IMO Model Course 1.27 **and accepted** (list on our website)

by the MCA and approved by an Administration whose CoC we accept for the issue of a FSE/CEC.

***NARAS** - Navigation Radar and ARPA Simulator. **NAEST** - Navigation Aids and Equipment and Simulator Training Deck Officers not meeting the above requirement will receive the following limitation: **“This certificate is not valid for service on ships fitted with ECDIS.”**

For a list of MCA approved and MCA accepted ECDIS please see our list of [approved training providers](#).

For the revalidation of a Certificate of Competency in addition to MCA approved training the MCA will **accept** updating safety training courses when approved by an administration with whom it has an agreement to recognise Certificates of Competency for the purpose of issuing a UK Flag State Endorsement (FSE). To obtain a list of these administrations please refer to our [list of accepted countries](#).

ENGINEER OFFICERS

The 2010 Manila Amendments bring in the requirement for engineers to undergo education and training in High Voltage (over 1000V) systems, at both the operational and management levels. There is no additional action required for Engineer Officers who do not work on and do not intend to work on ships with High Voltage systems. These Engineer Officers will receive the following limitation: **“This certificate is not valid for service on ships fitted with High Voltage (over 1000V) systems.”**

For the revalidation of a UK Engineering CoC without this limitation, please submit the following documentary evidence:

For EOOW CoC Reg.III/1 (Operational Level):

- completion of High Voltage (HV) course * or
- of completion of the following sea service in the engine room on vessels fitted with HV systems:
 - six months in the preceding five years; or
 - three months sea service during the last twelve months * **(Sea service evidence should be provided in the form of a company letter signed by an authorised official within the company).**

For Second/Chief Engineer Officer CoC Reg. III/2 and III/3 (Management Level):

- Completion of High Voltage Course (*)
- Documentary evidence of all topics covered in the course

* **High Voltage Courses:** Some courses undertaken prior to 1 July 2013 do not need to be MCA approved, but you must provide documentary evidence of all the topics covered in the course.

High Voltage Definition: A High Voltage (over 1000V) system is one where voltage is generated and distributed at high voltage or transformed to and distributed at high voltage. It does not include systems where high voltage utilised locally e.g. ignition systems, radio transmission, Radar and other navigational equipment.

TANKER ENDORSEMENTS

Seafarers revalidating tanker endorsements, in addition to the current revalidation requirements, must provide evidence of approved tanker sea service appropriate to the endorsement(s) in their CoC.

- Sea service testimonials or a company letter for 3 months sea service onboard Gas tankers*,
- Sea service testimonials or a company letter for 3 months sea service onboard Oil tankers*,
- Sea service testimonials or a company letter for 3 months sea service onboard Chemical tankers*,
- Sea service testimonials or a company letter for 3 months sea service onboard Vegetable Oil tankers*:

7. Submitting Your Application

Please follow the instructions and print the declaration page, scan it and include with your application. The signature provided will be the signature that appears on your CoC.

8. Declaration

Please read the declaration. Once you are sure that the information you have given is, to the best of your knowledge, true and complete, and that the documents submitted are genuine, given and signed by the persons whose names appear on them, you should sign and date the declaration and ensure your signature is inside the box as this will be transferred to your CoC.

9. Payment

You must enclose the correct fee with your application. Please indicate your chosen method of payment. Payment must be made in pounds sterling (£).

There is no additional fee for revalidating tanker endorsements or GMDSS at the same time as your CoC.
