

Partnership disposal of chargeable assets

Tax year 6 April 2024 to 5 April 2025 (2024–25)

Complete these pages if the partnership disposed of any chargeable assets in the year ended 5 April 2025. If the partnership is a 'CT Partnership' read the notes in the Partnership Tax Return guide. If the partnership has disposed of a chargeable asset during the year 2024 to 2025, the partners who own a share of that asset may be liable to tax on any chargeable gain arising. The tax due, if any, will depend on the individual circumstances of each partner. For help filling in this form, go to www.gov.uk/taxreturnforms and read the notes and helpsheets.

These pages only require details of disposals of chargeable assets. However, you may need to provide the partners with additional information so that they can calculate their individual chargeable gains, for example, details of the cost of the asset.
