Subject: planning application s62a/2025/0079-515/517stockwoodroad bs4 5lr

511 Stockwood Road

I have received your letter dated 24th February 2025 relating to the above application. I consider the proposed development a gross over development of the site adding to the traffic congestion in the area of the Park and Ride entrance/exit. I didn't notice any provision for parking and that will probably lead to owners/tenants/visitors parking on the grass verges on both sides of the road.
