

Mayoral Renewables Fund Grant Scheme Extension/Supplementary Project Application Form

Please note - funding for supplementary/extension projects is entirely dependent on there being unallocated funds after primary projects have been assessed and funding allocated.

This application form refers to supplementary/extension projects **only**. Primary projects should be applied for using the Primary Project Application Form. Please refer to application guidance for more detailed information on the application process.

Please note: DESNZ and Great British Energy may use some of the information provided in this application to support further policy-making on energy – including developing our understanding of project pipelines and delivery timescales

Disclosure of Information

Reasons for decisions on applications and claims will be recorded at all stages for good administration and to ensure that there is a clear audit trail for all decisions. Administrative records will be maintained for all applications irrespective of whether they are successful or not. The application (and supporting documentation) may be shared with other Government Departments and/or appointed advisers for the purposes of administering the application for funding.

All information provided by applicants may be disclosed in accordance with the operating Departments' legal obligations (including under the Freedom of Information Act 2000 (FOIA), Environmental Information Regulations 2004 (EIR), the UK General Data Protection Regulations (UK GDPR). Data Protection Act 2018 (DPA) in the event that a request for information is received).

To help the Department deal with information requests, in the box below, please set out the reasons why any specific information should not be disclosed, including (if possible) by reference to the specific exemption contained in the relevant legislation (for example, because disclosure of the information would prejudice the companies' commercial interests under section 43 of the FOIA), explaining why this is the case.

Where appropriate, please also state whether the reasons for non-disclosure only apply for a particular time period. If an information request is received, the views will be considered as stated on the application form. However, the Department will ultimately decide how to respond to an information request and whether any information should be withheld, subject to the Information Commissioner's Office decision in the event of the requestor appealing the decision.

The name of the recipient of DESNZ funding and the amount of DESNZ funding awarded will be published.

More information on the FOIA and EIR (including information on exemptions) can be found at: http://www.ico.org.uk/for_organisations/
