## Your share of the partnership's trading or professional profits

Please refer to the Partnership Statement to complete these pages and if you need any help, read the 'Partnership (short) notes'. If your partnership's accounting date is not between 31 March and 5 April you will need to apportion your share of the partnership's profits from each accounting period to the tax year – use box 9 to adjust your share of the profit or loss (box 8). If the partnership carries on certain trades or professions, or in certain situations, you may need to make further tax adjustments in boxes 10 to 12. If you have untaxed transition profit from 2023–24 you will need to complete the 'Partnership (full)' page. If you want to enter a loss, or an adjustment needs to be taken off, put a minus (–) in the box next to the £ sign.
