What a incredible place Stebbing is. The Park is a real asset and attraction for visitors. The Norman Motte Castle Mound is outstanding and a wonderful conservation area. To suggest to build on the site is deeply distressing, especially as the area is of such great significance. We puts our names to the objectors to any housing on this special and significant site.
Shawn & Marisa

"Recommendation

Historic England objects to the application on heritage grounds. We consider that the application does not meet the requirements of the NPPF, in particular paragraph numbers 199, 200 and 206."
