

Rural England Prosperity Fund: Allocations

Rural England Prosperity Fund (REPF) allocations are for the financial year 2025 to 2026

Table 1 shows REPF indicative allocations for Mayoral Combined Authorities and London

Table 2 shows REPF indicative allocation for County Combined Authorities and Single Local Authorities

Table 3 shows REPF indicative allocations for unitary authorities.

Table 4 shows REPF indicative allocations for lower tier authorities.

Table 5 shows how REPF indicative allocations for combined authority totals are arrived at.

If an authority is shown with an allocation of nil, it is ineligible for the REPF. This is based on the fund's objectives and the allocations methodology.

Allocations are determined for unitary and lower tier authorities only and then combined to give totals for combined authorities, where applicable.
