Border Force

Don't ignore it – report it.

Here in the UK, we are incredibly lucky to have so many stunning coastlines, bustling ports and harbour towns to enjoy and explore – but if crime and the people behind it are left unchecked, then everybody suffers.

We all have the power to protect our coastal communities from crimes that put them at risk.

Border Force with Project Kraken have partnered with Crimestoppers to power the UK Border Watch, providing you with a 100% anonymous channel to report crime. Call free on **0800 011 3304** or report it online 24/7 using the QR code below.

What do we mean by coastal crime?

Essentially, it's any crime that has an impact on, or happens around, our coasts and borders, including smaller ports, docks and marinas. From theft, to smuggling, to criminal damage – whether you're a keen sailor, work in the maritime industry or are simply enjoying a coastal hike – if you see something suspicious, the UK Border Watch is here for you.

In an emergency, or if a crime is happening now, always call 999.
