

<b>Hotronix Heat Presses</b>	
<b>Aspect</b>	<b>Details</b>
<b>Images</b>	
<b>PSD Number</b>	2502-0118
<b>Product Type</b>	Electrical appliances and equipment – Heat Press
<b>Product Identifiers</b>	Affected products state 3500/15 Watts/Amps on the labelling. Products with 1800/7.5 Watts/Amps are unaffected. A list of models is included at Annex A.
<b>Product Description</b>	Commercial heat press machines for use in printing on apparel. Affected products were supplied between February 2018 and December 2024.
<b>Country of Origin</b>	United States
<b>Counterfeit</b>	No
<b>Risk Level</b>	Not provided
<b>Risk Type</b>	Fire
<b>Risk Description</b>	The product has been identified as presenting a risk of fire, as it is possible for the electrical cabling and/or switches to overheat and become damaged. The 3500W heating plate has a serial plate rating of 15 amps but has been supplied for use in the UK with a 13amp fused plug.
<b>Corrective Measures</b>	The manufacturer has initiated a modification programme. Owners should stop using the product immediately and disconnect the heat press from the power supply. Contact Stahls UK (Europe) Ltd to arrange for them to replace the power switch and circuit breakers. For further information, access the Stahls' website at the following link: <a href="https://www.stahls.co.uk/importantsafetywarnings">https://www.stahls.co.uk/importantsafetywarnings</a>
<b>Online Marketplace</b>	N/A
