Good afternoon John

I refer to the above planning application.

It has come to light that not all the required notifications for the application had been carried out, this has now been done but means the consultation period has had to be extended until 22 April 2025.

Given the need to carry out the above, please can the applicant agree to extend the determination date for this application to **9 May 2025**.

Kind regards  
Leanne
