Dear [REDACTED]

RE: Request for Information – RFI4708

Thank you for your request for information which was processed in accordance with the Freedom of Information Act 2000 (FOIA).

You requested the following information:

Please can you provide:-

A) A full up to date list of all Investment Partner Status organisations including the classification of the type of organisation (URB, RP, LA etc) and month/year they became an IP.

B) Details of the amount of funding remaining for Investment Partners to access in this AHP cycle, as currently defined.

C) Details of which Strategic Partners still have headroom in their funding allocation from Homes England. I appreciate you may be unable to provide the quantum of headroom available, and thus a list of organisations would suffice on this request.

Response

We can inform you that we do hold the information that you have requested. However, to comply with your request would exceed the appropriate limit for the cost of compliance. We therefore rely on section 12, exemption where the cost of compliance exceeds the appropriate limit under the FOIA.

The full text of the legislation can be found on the following link and we have quoted section 12 below for ease.

<https://www.legislation.gov.uk/ukpga/2000/36/contents>

Section 12 - Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

(2) Subsection (1) does not exempt the public authority from its obligation to comply with paragraph (a) of section 1(1) unless the estimated cost of complying with that paragraph alone would exceed the appropriate limit.

(3) In subsections (1) and (2) “the appropriate limit” means such amount as may be prescribed, and different amounts may be prescribed in relation to different cases.

(4) The Minister for the Cabinet Office may by regulations provide that, in such circumstances as may be prescribed, where two or more requests for information are made to a public authority:

(a) by one person, or

(b) by different persons who appear to the public authority to be acting in concert or in pursuance of a campaign, the estimated cost of complying with any of the requests is to be taken to be the estimated total cost of complying with all of them.

(5) The Minister for the Cabinet Office may by regulations make provision for the purposes of this section as to the costs to be estimated and as to the manner in which they are to be estimated.

We have considered the current wording of your request and in its current scope we have determined that to establish where all elements of the information is held, to locate the information, retrieving the information and extracting the information would exceed the appropriate limit in terms of timeframes.

Under the terms of the act, we are not obliged to provide any information compiled in the course of our searches prior to concluding section 12 is engaged.

Advice and Assistance

In compliance with the Section 45 Code of Practice (Paragraph 2.10) and to offer advice and assistance under section 16 of the Freedom of Information Act 2000, you may wish to consider narrowing the scope of your request.

To be clear, the element of your request that exceeds the cost limit concerns the year/month an organisation became an investment partner. This information is not held centrally or in an easily retrievable format and would involve locating the information through searching of minutes of meetings over a number of years to determine the point of first approval.

We are able to issue a response to the other questions you have raised within the cost limit and should you submit a further revised request, we would look to issue a response to you as soon as possible.

Please note that due to the broad scope of your request we cannot confirm that any further request would not also exceed the section 12 cost limit at this time.

Right to Appeal

If you are not happy with the information that has been provided or the way in which your request has been handled, you may request an internal review. You can request an internal review by writing to Homes England via the details below, quoting the reference number at the top of this letter.
