## SUMMARY REASONS

### Background

1. Following an objection from the Landlord to the determination of a fair rent by the Rent Officer, the Tribunal has made a determination under the provisions of the Rent Act 1977.

### Evidence

2. The Tribunal has consideration of the Rent Officers calculations. The Landlord and Tenant both submitted written submissions which have been taken fully into account. The Landlord's agent provided evidence of rental levels for three comparable properties in the area ranging from £1200-£1,350. It is the Tribunal's opinion that each of these properties were superior to the subject.

### Determination and Valuation

4. Having consideration of our own expert, general knowledge of rental values in the general Exeter area, together with the parties' submissions. The Tribunal considers that an achievable rent for a similar three-bedroom semi-detached house in a good marketable condition with reasonably modern kitchen and bathroom fittings, modern services with carpets curtains and white goods provided by the Landlord would be **£1,200** per month.

5. From this level of rent we have made adjustments in relation to: no white goods, no carpets or curtains, solid fuel central heating, damp and mould and the tenant's terms of the tenancy which equates to approximately **35%**

6. The Tribunal has not made an adjustment for scarcity as it considers there is a reasonable supply of similar rental properties in the general area.

7. The full valuation is shown below:

Market Rent		£1,200 pm
<i>Less</i>	approx. 35%	£420
<i>Terms and condition</i>		
	<i>Leaves</i>	£780

<i>Less</i>		
<i>Scarcity</i>	Nil	£780

**8. The Tribunal determines a rent of £780 per calendar month**

**Decision**

9. The uncapped fair rent initially determined by the Tribunal, for the purposes of section 70, was **£780** per month. The capped rent for the property according to the provisions of the Rent Acts (Maximum Fair Rent) Order 1999 is calculated at **£831.** per calendar month. The calculation of the capped rent is shown on the decision form. In this case, the lower rent of **£780** per month is to be registered as the fair rent for this property to take effect from the 21 November 2024 being the date the Tribunal made the Decision.
