<b>Product Description</b>	Electronic vessel control system
<b>Country of Origin</b>	Sweden
<b>Counterfeit</b>	No
<b>Risk Level</b>	High
<b>Risk Type</b>	Injuries
<b>Risk Description</b>	<p>The product presents a risk of injuries as a quality issue in the Electronic Vessel Control system (EVC2) software may, under certain rare circumstances, cause an unexpected loss of control of the gearchange function. The issue manifests itself in such a way that, on rare occasions and at low speeds, the driver cannot change gears.</p> <p>The product does not meet the requirements of the Recreational Craft Regulations 2017.</p>
<b>Corrective Measures</b>	<p>The product has been recalled from end users.</p> <p>End users should check whether their product is affected by entering the serial number of the control system chassis on the following website: <a href="#">Recall information   Volvo Penta</a></p>
<b>Online Marketplace</b>	N/A
