**Subject:** Keep the Bull Inn, crews hole, as a pub

Hi. I would like to protest that they are thinking of making the Bull Inn, crews hole, into a residential unit as it is a historic pub and should remain so.

It is and was a vital part of a local community and without it the area would be worse off.

So in summary please keep the Bull Inn, crews hole, registered and usable only as a pub.

best regards,  
Mark
