Subject: The Bull, Crews Hole, Bristol

I would like to voice my concerns of The Bull, Crews Hole, Bristol being demolished. This is a beautiful building that represents the history of the local area. The area is crying out for a community hub, café, shop and this building would be perfect, with it's ample parking it would be a wonderful business opportunity and serve the community and visitors well. The area has nothing to serve the disabled or elderly so means cars have to be used to get to other amenities, which I'm sure you would agree has to change.
