Product Description	A soldering iron kit with several accessories and attached wall plug.
Country of Origin	China
Counterfeit	Unknown
Risk Level	Serious
Risk Type	Fire
Risk Description	<p>The product presents a serious risk of fire because the cord has been anchored to the circuit board by cable ties. Over time, lack of sufficient anchorage will cause the supply cord to move, leading to strain on the conductors. This could cause the appliance to fail and possibly catch fire, causing damage to both consumer and home. Improvements are also required to marking, labelling and documentation.</p> <p>This product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.</p>
Corrective Measures	The import has been rejected at the border.
