DECISION

The Tribunal determines a rent of £920 per calendar month with effect from 14th January 2025.

SUMMARY REASONS

Background

1. On 12th December 2025 the Landlords served a notice under Section 13(2) of the Housing Act 1988 which proposed a new rent of £1,050 in place of the existing rent of £850 per month to take effect from 14th January 2025.
2. On 10th January 2025 under Section 13(4)(a) of the Housing Act 1988, the Tenant referred the Landlords' notice proposing a new rent to the Tribunal for determination of a market rent.

Inspection

3. The Tribunal did not inspect the property but considered this case based on the papers provided by the parties and information freely available on the internet.

Evidence

4. The Tribunal has considered the written submissions provided by the Tenant and the Landlords.

Determination and Valuation

5. Having given consideration to the comparable evidence provided by the parties and of its own expert, general knowledge of rental values in the area, the Tribunal determines that the open market rent for the property in good tenable condition would be £1,000 per calendar month.
6. Such a tenancy would normally include white goods, carpets, curtains/blinds and associated fittings to all be provided by the Landlord.
7. In this case the property is not let in such condition or with white goods, carpets and curtains all supplied so some adjustments to the 'open market rent' are necessary. In addition, the Tribunal has made the adjustments for penetrating damp and dated electrics.
8. The full valuation is shown below:

Full open market rent in good condition	£1,000
Less deductions for:-	
Tenants provision of some white goods	£20
Damp penetration and disrepair	£50
Dated electrical wiring	£10
<hr/>	
TOTAL RENT PAYABLE PER MONTH	£920

9. The Tribunal therefore decided that the rent at which the subject property might reasonably be expected to be let in the open market by a willing Landlord under

the terms of this assured tenancy and in its present condition was £920 per month.

10. The Tenant made no representation that the starting date for the new rent specified in the Landlord's notice would cause the Tenant undue hardship.
11. Accordingly, the Tribunal directed that the new rent of £920 per month should take effect from 14th January 2025, this being the date specified in the notice.
