DECISION

The Tribunal determines a rent of £965 per calendar month with effect from 1st February 2025.

SUMMARY REASONS

Background

1. On 27th December 2024 the Landlord's Agent served a notice under Section 13(2) of the Housing Act 1988 which proposed a new rent of £1,100 per month in place of the existing rent of £580 per month to take effect from 1st February 2025.
2. On 10th January 2025 under Section 13(4)(a) of the Housing Act 1988, the Tenant referred the Landlord's notice proposing a new rent to the Tribunal for determination of a market rent.

Inspection

3. The Tribunal did not inspect the property but considered this case based on the papers provided by the parties and information freely available on the internet.

Evidence

4. The Tribunal has considered the written submissions provided in the Application from the Tenant and the Statement from the Landlord.

Determination and Valuation

5. Having given consideration to the comparable evidence provided by the parties and of its own expert, general knowledge of rental values in the area, the Tribunal determines that the open market rent for the property in good tenable condition would be £1,050 per calendar month.
6. Such a tenancy would normally include white goods, carpets, curtains/blinds and associated fittings to all be provided by the Landlord.
7. In this case the property is not let in such condition or with white goods, carpets and curtains all supplied so some adjustments to the 'open market rent' are necessary. In addition, the Tribunal has made the adjustments for the lack of central heating/ provision of electric heating and the Tenants installation of a shower and shower screen.
8. The full valuation is shown below:

Full open market rent in good condition	£1,050
Less deductions for:-	
Tenant's provision of white goods	£30
Tenant's provision of carpets and curtains	£25
No central heating/ electric heating provided	£25
Tenant's shower and shower screen	£5
TOTAL RENT PAYABLE PER MONTH	£965

9. The Tribunal therefore decided that the rent at which the subject property might reasonably be expected to be let in the open market by a willing Landlord under the terms of this assured tenancy was £965 per month.
10. The Tenant made no representation that the starting date for the new rent specified in the Landlord's notice would cause the Tenant undue hardship.
11. Accordingly, the Tribunal directed that the new rent of £965 per month should take effect from 1st February 2025 this being the date specified in the notice.
