Product Description	Wall mounted power saver switches available in white, silver and black.			
Country of Origin	China			
Counterfeit	No			
Risk Type	Electric shock, Burns and Asphyxiation			
Risk Description	The product presents a risk of electric shock and burns as a potential manufacturing defect may cause these products to overheat, particularly where used in high load and high ambient temperature applications. The housing of the fused timer may become distorted, exposing the consumer to live parts. The consumer may use the product and touch the live part resulting in potential electrocution. The housing of the fused timer			

## Product Recall

	can overheat and melt resulting in potential burns and smoke inhalation, leading to asphyxiation. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.
<b>Corrective Measures</b>	The product has been recalled from end users. Consumers should contact the distributor from which they purchased to request redress.
