Dear Sirs

We are very much against the development which will be filling in the space between the houses and the bungalows in Ragged Hall Lane. It is sad to see the gradual erosion of our Green Belt around the edges of Chiswell Green. Many parents and children do wander down the Lane enjoying the countryside at the moment. Should this development go ahead then widening of the Lane will be required. The footpath along the Lane stops before it reaches this section and the rural aspect of a country lane along this part of the road will be lost forever should it be developed.

I do hope that these plans do not go ahead.

Helen and John Felton
