It is not possible to list every example of acceptable evidence, but it should be an official document which shows the correct information. Examples include:

We cannot accept photographs of original documents. A list giving examples of suitable persons can be found at: <https://www.gov.uk/certifying-a-document>

If you are taking the application to a Register Office and paying in person then the register office representative should be able to certify your documents as a true copy of the original which means you can retain your original documentation.

4.2 Please tick to confirm that evidence to support the correction is enclosed

If you cannot send any evidence of an error having occurred, then normally a correction will not be possible.
