201136 (OMB VHXF)	31/01/2027	56 Tablet	21/10/2024

Background

G Pharma Ltd have informed the MHRA that there is an error in the spelling of the active ingredient included on the imported carton. The spelling should be 'Ticagrelor' but has been printed as 'Tricagrelor' under the brand name and in the content statement.

Advice for Healthcare Professionals:

Healthcare professionals are to be aware of the incorrect spelling of the active ingredient on the carton when prescribing and or dispensing the product.

When products from batches included in the table above are supplied or dispensed, please ensure that patients are aware of the spelling mistake on the carton.

The correct spelling of the active ingredient is included in the patient information leaflet and printed on the blister foil within the packs.

Advice for Healthcare Professionals to Provide to Patients:

Patients should continue to take medicines from the impacted batches as prescribed by your healthcare professional. This error does not affect the quality or efficacy of the product.

Patients who experience adverse reactions or have any questions about the medication should seek medical attention. Any suspected adverse reactions should also be reported via the [MHRA Yellow Card scheme](#).

Additional information:

For all medical information enquiries please email ddavies@gpharma.co.uk, or telephone 0161 888 7317.

For stock control enquiries please email ddavies@gpharma.co.uk or telephone 0161 888 7317.

Recipients of this Medicines Recall should bring it to the attention of relevant contacts by copy of this notice. NHS regional teams are asked to forward this to community pharmacists and dispensing general practitioners for information.

Yours faithfully
