

You need to complete and return this form with all requested supporting documents to prove that you or your immediate family member are a European Economic Area (EEA) national or Swiss national who is working in the UK, or has previously worked in the UK and is now looking for work in the UK.

By 'immediate family member' we mean either your:

- husband, wife, civil partner
- parent(s), step-parent(s), other direct ascending line family member of an EEA worker
- child, step-child, other direct descendant of an EEA worker.

To find out how we'll use the information you provide go to www.gov.uk/doctoralloan/apply to read our Privacy Notice before completing this form.

How to complete this form

Follow the instructions provided, complete all questions that you are asked - if you don't it will delay your application.

Depending on the answers you give you will be instructed to go to a specific section in the Supporting Evidence Information Notes (pages 9 - 18). This section will tell you what you need to send to support your application.

You'll see this icon where you have to send evidence. 

If you can't send everything we ask for just now, return your completed form with as much as you can. This will allow us to make a start on your application. We will contact you for the missing evidence and you will need to provide this before we will be able to approve your application for a Postgraduate Doctoral Loan.
