Product Description	Centerlock adapter sets manufactured by SwissStop and fitted to Simplon bicycles.
Country of Origin	Austria
Counterfeit	No
Risk Level	Medium
Risk Type	Injuries
Risk Description	The product presents a risk of injuries, as the locking rings within the adapters can loosen over time and detach from the braking system. This could result in reduced or even no braking performance, which could lead to the rider falling from the bicycle and becoming injured. The product does not meet the requirements of the General Product Safety Regulations 2005.
Corrective Measures	The manufacturer has initiated a modification programme, and has contacted customers to arrange a free replacement adapter. Owners should stop using the product until the adapter has been replaced. Owners with queries concerning the corrective action should contact their registered dealer.
