| Product Description             | Wood pyrography tool supplied with a black power cable and plug, and other attachments. Supplied in a zipped plain black case with yellow piping border.   |
| Country of Origin               | China  |
| Counterfeit                     | No   |
| Risk Level                      | Serious  |
| Risk Type                       | Electric shock   |
| Risk Description                | <p>The product presents a serious risk of electric shock because the user can easily access the internal live parts. These parts include poor-quality connections with wires soldered directly to the PCB. If the product is plugged into the mains power supply, the user could receive an electric shock. In addition, the plug supplied with the product does not meet labelling requirements and is fitted with a counterfeit fuse.</p> <p>The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016 or the Plugs &amp; Sockets etc. (Safety) Regulations 1994.</p> |
| Corrective Measures             | We recommend owners stop using this product immediately. Contact the distributor you purchased from to request redress.  |
