**a1 Where do you normally live when you're not studying?**

If you have a British Forces Post Office address, you should give this. We use this address to make sure you're completing the correct student finance application.

**a2 UK national**

You are a UK national if you have a UK passport or are eligible to apply for one.

If you have provided your UK passport details in section 1, you do not need to send any further evidence of your UK nationality.

If you are resident in a British Overseas territory and are unable to send an original copy of your passport or UK birth certificate, your local authority can confirm they have seen this and email a scanned copy of it to the appropriate British consulate for it to be posted to SLC on your behalf.

**Armed forces**

If you, your parents or partner are members of the armed forces, you must apply for student finance in the UK country where you were ordinarily resident when you/they enlisted, unless you are permanently living in another area of the UK.

We can accept certified photocopies of your residency evidence, stamped with your unit stamp. You should use your BFPO address for all correspondence.

**a3 Irish citizen**

If you hold a UK passport, you should provide your passport details in section 1 as you do not need to send further evidence of your nationality.

**a4 Family member of a UK national**

By family member, you must be the:

- husband, wife, civil partner;
- direct descendant

of a UK national.

A direct descendant is defined as the biological child, grandchild, great-grandchild and so on, of a person. For example you are a direct descendant of your mother, your grandmother, your great-grandmother, and so on.

If you are claiming student finance as the child or step-child of a UK national, the term 'child' means a person 'under the age of 21; or dependants of the person or the person's spouse or civil partner.'

You need to give us some details about your identity and residency at question **b1**.

Go to the residency status section on page 9 to find out when your academic year starts.

You need to give us some details about you and your family member's identity and residency at question **b2**.

**a7 EEA or Swiss worker**

My family member is my:

- husband, wife, civil partner;
- parent(s), step-parent;
- child or step-child - only applicable to EEA worker family members;
- other direct ascending or descending line family member (only applicable to EEA worker family members)

A direct descendant is defined as the biological child, grandchild, great-grandchild and so on, of a person. For example, you are a direct descendant of your mother, your grandmother, your great-grandmother, and so on.

A direct relative in the ascending line is defined as the biological parent, grandparent, great-grandparent and so on, of a person. You are a direct relative in the ascending line of your child, grandchild, great-grandchild, and so on.

Other family relationships are excluded from the definitions above.

To get student finance as the family member of an EEA or Swiss national who is working, has worked or is looking for work in the UK, you and your family member must have settled or pre-settled status through the EU Settlement Scheme.

If your parent is the EEA or Swiss worker, the term ‘child’ means a person ‘under the age of 21; or dependants of the person or the person’s spouse or civil partner.’ This does not apply in cases where the EEA or Swiss worker parent has died or left the UK and the child is staying on in the UK to finish their education.

Each module you study is worth a number of credits. You should agree how many credits you'll study with your university or college.

If you can't confirm how many credits you'll be studying during the academic year yet, we'll assess your application at 25% intensity. You should contact us once you've agreed your credits with your university/college.

To apply for a Tuition Fee Loan and/or a Maintenance Loan, you need to have a course intensity of at least 25% in the academic year.
