Response

We confirm that we hold this information. However, this is exempt from release under section 40(2) of the FOIA.

Section 40(2) states that personal data which is not the personal data of the requester (i.e. third-party personal data) should not be disclosed if this would contravene the data protection principles. This would constitute a breach of the first data protection principle outlined in the General Data Protection Regulation (GDPR), which states that “personal data shall be processed lawfully, fairly and in a transparent manner in relation to the data subject”.

How the exemption is engaged

We maintain that releasing information about individual members of staff to the world at large could not reasonably be interpreted as “fair” processing because the Data Subject would have a reasonable expectation that their personal data would not be disclosed in this way.

Section 40(2) of the FOIA is an absolute exemption and we are therefore not required to consider the public interest in releasing the information requested. However, some information responsive to this request may be found in our Annual Report and Accounts here: [SFO Annual Report and Accounts 2023-24 - GOV.UK](#)
