WALGAS TRADE UNION
Notes to the Financial Statements
for the Period ended 31st December 2024

1 ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared in accordance with Financial Reporting Standard 102 - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. The accounts have been prepared using the historical cost convention except where disclosed that certain items are shown at fair value.

The financial statements are prepared in sterling, which is the functional currency of the entity. Monetary amounts are rounded to the nearest £.

Judgements and key sources of estimation uncertainty

The union consider that there were no estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

Income

Membership subscription income is recognised on a receivable basis.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the union to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. All expenditure is inclusive of VAT where applicable.

Taxation

Corporation tax is payable on all interest income and other investment income to the extent they exceed expenditure on provident benefits.

Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost less depreciation and any impairment losses.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Motor vehicles - 25% reducing balance

Notes to the Financial Statements
for the Period ended 31st December 2024

Cash and cash equivalents

Cash is represented by cash in hand and bank deposits.

Debtors

Short term debtors are measured at transaction price, less any impairment.

Creditors

Short term creditors are measured at the transaction price.

Financial instruments

The union only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties and loans to related parties. Basic financial instruments are initially measured at transaction price and subsequently carried at amortised cost.

WALGAS TRADE UNION
Independent Auditor's Report for the
Period ended 31st December 2024

Opinion

We have audited the financial statements of Walgas Trade Union (the Union) for the year ended 31 December 2024, which comprise the, Statement of Comprehensive Income, Statement of Financial Position, and Notes to the Financial Statements, including a summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31 December 2023 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the director's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the union's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the managing committee with respect to going concern are described in the relevant sections of this report.

Other information

The managing committee are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Trade Union and Labour Relations (Consolidation) Act 1992 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- the Union has not maintained a satisfactory system of controls over its transactions in accordance with the requirements; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Managing Committee

As explained more fully in the Statement of Managing Committee's Responsibilities, the committee are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair

WALGAS TRADE UNION
Independent Auditor's Report for the
Period ended 31st December 2024

view, and for such internal control as the director determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Managing Committee (continued)

In preparing the financial statements, the director is responsible for assessing the union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the director either intends to liquidate the union or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

In identifying and assessing the risks of material misstatement in respect of irregularities, including fraud, we have obtained an understanding of the nature of the industry, the control environment and the legal and regulatory frameworks that the union operates in.

We determined that the most significant applicable legal and regulatory frameworks are those directly relevant to the reporting framework and preparation of the financial statements (FRS 102, Trade Union and Labour Relations (Consolidation) Act 1992 and UK tax legislation). We considered the extent to which non-compliance might have a material effect on the financial statements.

We determined the principal risks which could lead to material misstatement of the financial statements to be related to posting inappropriate journal entries and management bias in accounting estimates. We identified the most significant risks in respect of accounting estimates to be the determination of level of accrued holiday pay at the end of the reporting period.

Audit procedures performed by the engagement team included:

- Identifying those members of the Union who have the primary responsibility for ensuring compliance with laws and regulations;
- Enquiries with management, to understand managements' approach to ensuring compliance with laws and regulations, and to obtain knowledge of any non-compliance or potential non-compliance with laws and regulations that could affect the financial statements;
- Evaluating managements' incentives and opportunities for manipulation of the financial statements (including management override of controls);
- Testing journal entries and performing analytical procedures to identify any unusual transactions, or those outside the normal course of business, which may indicate risks of material misstatement due to fraud;
- Testing of balances and transactions that are subject to estimation uncertainty by review of evidence supporting the assumptions and judgements used, and determining whether those judgements used indicate potential bias;
- Review of legal expense accounts to identify spend which may be indicative of breaches of laws and regulations;
- Reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with the provisions of laws and regulations described above.

The engagement team also remained aware of the need for professional scepticism to identify any indications of fraud or non-compliance with laws and regulations throughout the audit.

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities is available on the Financial Reporting Council's website at:

Use of our report

This report is made solely to the union's members, as a body, in accordance with the provisions of the Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the union and the union's members as a body, for our audit work, for this report, or for the opinions we have formed.
