

Framework Schedule 1 (Specification)

This Schedule sets out what CCS and our Buyers want.

The Supplier must only provide the Deliverables for the Lot that they have been appointed to.

For all Lots and/or Deliverables, the Supplier must help Buyers comply with any specific applicable Standards of the Buyer.

The Deliverables and any Standards set out in Paragraph 1 below may be refined (to the extent permitted and set out in the Order Form) by a Buyer during a Competitive Selection Process to reflect its Deliverables requirements for entering a particular Call-Off Contract.

Our social value priorities

[Category Guidance: Your specification must secure real social, environmental and economic benefits in line with social value legislation. To do this you and your stakeholders (including suppliers) need to be clear what the social value priorities are.]

This specification must elaborate on these as appropriate. Read the [CCS internal guidance on social value](#) to understand how to include social value in your specifications. The worked examples included in this guide will help you.]

These are our priorities in this procurement:

- **[Add social value priority 1]**
- **[Add social value priority 2]**
- **[Add social value priority 3]**

The Buyer can identify specific social value priorities at call-off.
