Product Type	Hobby / sports equipment - Bicycles
Product Identifiers	Brand: Lapierre Affected models: Please access Annex A on Page 2 for a full list. Sales period: September 2020 onwards
Product Description	Aircode DRS and Xelius Lapierre bicycles equipped with an aluminium stem and aluminium shim. Lapierre Xelius SL3 bikes equipped with a Lapierre carbon cockpit are not affected.
Country of Origin	France
Counterfeit	No
Risk Level	Not provided
Risk Type	Injuries
Risk Description	<p>The products present an injury risk as the aluminium shim may leave indentations on the fork steerer tube. Over time, these indentations could develop into cracks. This could cause the fork to fail during use, potentially leading to injuries.</p> <p>The products do not meet the requirements of the General Product Safety Regulations 2005.</p>
Corrective Measures	<p>Modification programme.</p> <p>Owners of the bikes should stop using it immediately and contact an authorised Lapierre dealer. The dealer will check if your bike is affected and if so, replace the fork. Please access the Lapierre site here for assistance in finding your nearest authorised dealer: <a href="https://www.lapierrebikes.com/gb-en/store-locator/?dealer">https://www.lapierrebikes.com/gb-en/store-locator/?dealer</a>.</p> <p>You can also contact Lapierre on 01271 500194, or by completing the online form: <a href="https://www.lapierrebikes.com/gb-en/contact/">https://www.lapierrebikes.com/gb-en/contact/</a></p> <p>For further information, please access the Lapierre alert here: <a href="https://www.lapierrebikes.com/gb-en/news/rappel-aircode-drs-xelius-sl3/">https://www.lapierrebikes.com/gb-en/news/rappel-aircode-drs-xelius-sl3/</a>.</p>
