Application for Offence Re-banding: AFCLAA Determination on the appropriate level of payment on the Graduated Fee Scheme

As soon as the requirement is realised, an application to request for an offence re-banding may be submitted, either at the beginning or end of proceedings. All applications are to be submitted directly to AFCLAA via email: MCS-AFCLAA-Group@mod.gov.uk. AFCLAA will forward the application to the Judge Advocate General for guidance on the merits of the request and, upon receipt of the guidance provided, will give due consideration and respond accordingly.

Please note: Where the offence, which a Litigator/Advocate is seeking to have rebanded appears in Appendix S of the Crown Court Fee Guidance this form is not required. AFCLAA will pay the suggested alternative banding without the need for further justification.
