Dear Sir / Madam,

Content:

I am contacting you to object to application S62A/2025/0101 on the grounds of lack of parking and harmful traffic conditions leading to road safety issues.

My parents live in the adjoining road, and when I visit, there is frequently no place to park close by. This has been a long-standing problem for many years. Despite what the applicant claims, it has categorically not improved recently, there are still ongoing struggles to find parking spaces, and cars parked obstructively and dangerously as a result. Delivery vehicles and ambulances are a regular occurrence blocking Belvedere Road. Other vehicles frequently have to reverse back, round corners with little visibility due to parked cars.

Thank you,

Clemency Carroll
