**Subject:** Planning application S62A/2025/0101, 7 Belvedere Road BS6 7JG

Dear Sir/Madam

I am writing to formally object to the proposed planning permission for the care home development at 7 Belvedere Road. As a resident [REDACTED] I and many others in the community have experienced ongoing disruptions caused by the existing care home facilities in our neighborhood.

Since moving to Belvedere Road, we have noticed the development has led to significant **traffic congestion, noise pollution, and a severe lack of available parking** for residents and visitors. The frequent arrival of deliveries and ambulances has further compounded the problem, resulting in dangerous road conditions and accessibility issues for residents.

On top of the traffic and parking issues, the existing development already causes large amounts of noise with workers coming and going, as well as care home residents' windows being left open with incredibly loud tv's playing. Not to mention the disruptions and constant noise that will be caused by the new development if it goes ahead.

Given these concerns, I strongly urge the council to **reject any further expansion or development** that would worsen these existing problems. The infrastructure in our area is not suited to accommodate additional strain of increased traffic and deliveries.

I trust the council will consider the impact on the local community and make a fair and reasonable decision in the interest of residents.

Yours Sincerely

Ethan Wyeld
