**Subject:** Planning number S62A/2025/0101 at 7 Belvedere Road BS6 7JG

Good evening

I am writing to voice my objections to the planning permissions for development of 7 Belvedere Road. I have lived at [REDACTED] for many years. Since moving here I have seen 4 of the house taken over and developed into nursing homes. I am strongly against any further development as it is affecting the residents of the area extremely negatively. This is a residential neighborhood and 2 large care homes on one busy road is more than enough. It's inconsiderate of the residents of the road, the care home residents and the staff to allow any further work. It's already gone too far. The parking situation has worsened to such a bad degree now. It's having negative effects for everyone involved as you have already been notified of many times.
